

# Activation of the light body 1st to 12th Chakra with Jesus, according to Natara®

**During the first part of the activation of the light body, the spiritual world verticalizes the first 12 chakras (1-12).**

This is associated with a profound purification that reaches into past lives. In the process, the vibration is raised; therefore, the power of manifestation to create one's own life out of abundance increases a thousandfold with each cleansed and verticalized chakra. At the same time, one strand of the original 36-strand DNA is reactivated at a time. It is about reclaiming one's power as a divine being on earth!

The emotional body expands in the first part of the light body process to one meter, and the mental body expands to half a meter. This change brings incredible freedom and cleanses the body's cells from unnecessary stress. The liberating effects of this beautiful activation of the light body process reach seven generations into the past and fourteen generations into the future. This has far-reaching implications for humans living on Mother Earth that the mind cannot grasp them. But the heart knows about these things and can feel that this is the real beginning of the "golden age."

# Activation of the light body 1<sup>st</sup> to 12 Chakra with Jesus, according to Natara®

**During the first part of the activation of the light body, the spiritual world  
verticalizes the first 12 chakras (1-12).**

At the end of the first part, with the purification and verticalization of the twelfth chakra, the so-called "Kymic Wedding" occurs. This means that the Higher Self moves into your heart. Every cell of your body becomes more and more illuminated by your soul and thus remembers its original mission more and more easily.

# Activation of the light body 1<sup>st</sup> to 12 Chakra with Jesus, according to Natara®

During the first part of the activation of the light body, the spiritual world verticalizes the first 12 chakras (1-12).

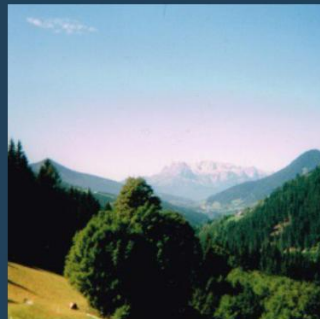

It is beneficial to be in the energy during the process. This way, it can be transformed much easier. Therefore, we will spend the weekend together as a group (if desired, one-on-one appointments are also available). The first 12 chakras will be cleansed and verticalized on the weekend, and the DNA strands will be reconnected.
