

# Activation of the 2nd light body, Chakras 13 – 24, according to Natara®

**Embrace the power and energy that is released for you and your life.**

The connection to Mother Earth and the cosmos is strengthened in the second part of activating the light body. Chakras 13 - 24 are cleansed and activated. And in each cell, the light ray of the corresponding DNA strand is reactivated. From the 12th chakra to the 24th chakra, there is a 12-star tetrahedron between each of the chakras. The 12-star tetrahedron is a 6-meter crystal and is reactivated. The knowledge of sacred geometry is further deepened - as in the first part.

The manifestation power / mental power is increased by 24 thousand times. Everything you direct your energy towards in your life experiences this amplification. The emotional body expands two meters, and the mental body expands one meter. Your ego and feelings, such as sadness, hatred, anger, and disappointment, can no longer affect you. This brings even greater freedom to these levels of your being. Still, existing entanglements come into your consciousness much faster. The ties that still prevent you from your freedom are loosened. The second part of the light body process can last for nine months.

# Activation of the 2nd light body, Chakras 13 – 24, according to Natara®

Harvest the power and energy that is released for you and your life.

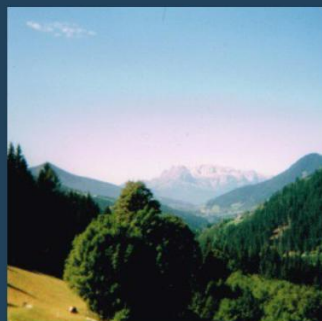

It is beneficial to be in the energy during the process. This way, it can be transformed much easier. Therefore, we will spend the weekend together as a group (if desired, one-on-one appointments are also available). The chakras 13 – 24 will be cleansed and verticalized on the weekend, and the DNA strands will be reconnected.
