

# Activation of the 3rd light body, Chakras 25 – 36, according to Natara®

**Rising above the illusion – with light food**

In the seminar, the light body process the chakras are activated in reverse order, from the 36th chakra to the 25th chakra. Powerful spirals of energy will spin again after this activation. Purification of these divine and higher vibrating chakras is no longer necessary. Also, the last twelve radiating DNA strands are reactivated. During the activation, you will receive the anchoring of your golden DNA in all cells as a special gift from the invisible world. The golden vibration is activated in you, and the original energy from your generations is restored. This is such a great liberation!

Your manifestation power increases by thirty-six thousand folds. The mental body expands to 4.5 meters, and the emotional body expands to 9 meters. Over time you become less judgmental, attachments and dramas lessen, and you experience more inner peace. The effects of the seminar can last up to 12 months.

Because the vibration increases enormously through the light body process 25th-36th chakra, it is possible to attach the cosmic light food. It is possible to supply cosmic energy, food, liquids, and other beautiful energies to the body through a light cannula.

Three light cannulas Ascended Masters from the 18th dimension assist everybody who gets a light cannula activated. Their intention for us is to flourish, have fun, live without dogmas, and live in absolute freedom. With the initiation, humans or animals receive their light cannula, Ascended Masters. They are their support person and regulate the body's supply from the first day of the light feeding/nourishing process.

## Rising above the illusion – with light food

The light cannula is about 5cm long and is inserted into the spinal cord at the location of the 5th vertebra downwards. Once placed, it cannot be removed or destroyed by anyone.

The light cannula amplifies to 12,000 % the light and thought power.

When the soul leaves the body, it takes the light cannula. The matrix remains with the soul and comes with the next incarnation back into the body.

### Jesus already said:

"The light food is not to eat nothing anymore, but to eat more consciously".

Light food is beneficial for the soul weight to adjust, that we become aware of which food is good for us and which foods are bad for us, that we need less food, that we can manage without food and water at any given time, (emergencies) and for detoxification and purification. It's good to occasionally have a week or two of light food for detoxification.

Rising above the illusion

It is beneficial to be in the energy during the process. This way, it can be transformed much easier. Therefore, we will spend the weekend together as a group (if desired, one-on-one appointments are also available). The chakras 25 – 36 will be cleansed and verticalized on the weekend, and the DNA strands will be reconnected.

You can find the current seminar dates at [www.annrai.at/en/termine/](http://www.annrai.at/en/termine/). Seminars take place in Austria, Switzerland, Germany, and possibly in other places on this beautiful planet, if desired, in your country.
