

Activation of the 4th light body; Chakras 37 – 72, according to Natara®

Through vitality, you find your inner truth

The 4th part of the light body process is about letting go of the "handbrake" in life so that your life starts to flow and you move forward into your action and your power. Many family structures are released and healed.

Unlike the first three parts, which reach seven generations back and seven generations into the future, the 4th part of the light body process with Jesus, according to Natara, also works on your immediate family (sideways), your siblings, uncles, aunts, cousins for nephews and nieces... A great liberation for your immediate family.

In the 4th part, the chakras are activated in 4 groups of 9. This is possible because your vibration is already so high through activating the first three light bodies.

Topics:

Chakra group 46-57: „The encounter with the soul vision“

Chakra group 55-63: „The encounter with true freedom“
