

Activation of the 7th light body, Chakras 289 – 576, according to Natara®

Manifesting soul health in all cells

Activation of the 7th light body is about being disease-free. Through the activation of the 7th light body, the vibration is already so high that viruses, bacteria, and parasites can no longer exist in the body. The power and energy that were lost are now available for us again.

Among other things, our brain areas are activated, and our mediumistic ability is strengthened.

Topics:

Chakra group 289-360: „Becoming friends“

Chakra group 361-432 „Friendship with the divine“

Chakra group 433-504 „Friendship in every divine action“

Chakra group 505-576 „Friendship with the divine source“

With the activation of the 576th chakra, you no longer have pathogens. Because of this, soul health is possible in all cells. Therefore, the memory of pain leaves the body and goes into the future, which results in soul perfection and health in all cells.

And you can really experience this incredible activation of the light body. You can really experience the future, your future, the soul future, your vitality, your soul health, your soul community, and your perfection.
