Addiction free into the future

This project is especially dear to us because addiction is currently a massive problem on the planet of creativity. Addiction is present on so many levels that, in many cases, we humans can no longer recognize it as such, as it determines our everyday lives and has often unconsciously taken control.

Addictions plagues many people. Addiction has unconsciously taken over life and thus determines many processes in and around the daily routine.

Conscious and unconscious addictions can be: alcohol addiction, nicotine addiction, drug addiction, control addiction, addiction to anxiety and tension, addiction to lack and loss, jealousy, death addiction, religion, television addiction, sex addiction, cell phone addiction, gambling addiction, anorexia, eating addiction, control over food/weight/calories, sleep addiction, the addiction to talk, to be the center of attention, to be silent, harmony addiction and so much more...

The only touch that people still have or feel is often the dependency on alcohol, medication, painkillers, sleeping pills, drugs, psychotropic drugs, nicotine, e-cigarette, sugar, e-numbers, and cola, and so a filling up of loneliness has begun, and this is filled with addiction. If one could „resolve“ one addiction, then it always comes back as a different addiction because one is still empty.

Addiction free into the future

Now, for the first time, there is the possibility of really freeing people from all addictions without a shift or the manifestation of being a former junkie or a dry alcoholic. New possibilities open up with this new methodology. In the reptilian brain via the retina, a reprogramming will be started that dissolves all dependency creators of these addictions. The scars will be healed that have led to these addictions even if these scars have been inherited.

This new and unique technic is being offered during this challenging time via Zoom in one-on-one or group sessions. This is a great and liberating method to finally step out and ultimately free yourself from addiction's control and limitation.

The price per code is 111 euros.

Would you like to be a vitality consultant "Addiction-free into the future" and accompany people out of addiction into a new and free life?

We offer sessions via Skype and would be very happy to have many to share this unique opportunity so that more and more people can experience this profound liberation.

The project is accompanied, as always, by documentation of the effects of liberation from dependencies on humanity. We must explore how people and animals experience their lives step by step anew without these dependencies.
