

Vitality Consultant 4

Peaceful visions are the wave of authenticity

As a Kamasha vitality consultant, you will be initiated to work with 37 formulas and numerical codes that free the body of frequencies that were consciously anchored in the body many generations ago and thus strongly influence our health and life. Through the liberation of these frequencies, humans experience a noticeable change and vitality in the body and life.

Remarkable effects are seen in the intestines, mucous membranes, and bones and in the head area, where these frequencies are manifested at the physical level.

You can liberate humans and animals by activating formulas and numerical codes. By freeing inactive communication in the cellular water, you can have a real friendship with your body and a conscious appreciation for your magnificent body in all its glory.
