

Lemurian Crystals

Activation of your 3 Lemurian crystals

During this seminar, you will be connected with 3 Lemurian crystals, which were once anchored on this planet in the Lemurian civilization. Your pets are automatically also initiated; they will receive their three crystals. Our bodies are made of crystals that hold together this structure of the body and the cells. That is why they must be reactivated so that harmony can be restored.

Through the activation, you will carry the energy and heritage of Lemuria in you again. This happens on the DNA level as well:

The anchoring of the blue Lemurian crystal in the hand chakras

The anchoring of the red Lemurian crystal in the 3rd eye

The anchoring of the black Lemurian crystal in the feet chakras

Lemurian Crystals

Activation of your 3 Lemurian crystals

You will receive three physical crystals bathed in the real Ganges spring in the Himalayas, i.e., they are charged with the original Lemurian spring water because that is this Gange's spring. These beautiful crystals vibrate on a very high frequency and can be used for healing on many levels - and above all, for yourself.

The 3 Lemurian crystals in your body radiate through you without you having to activate them. Not everything we carry within us belongs to us. Negative holograms can be erased, through which one is always held in the past and old habits, and therefore there is a constant struggle with health and freedom.

Lemurian holograms will assume a new place in your body and will be activated for peace and beauty in your life. With this power and frequency of the crystals, it is also possible for you to activate vitality and liberation in humans, animals, and plants on various levels. With it, you can positively influence negative frequencies of substances already existing on the DNA level.
