Now you can work with the formula of the Fibonacci spiral. With this power, you will acquire ancient knowledge, and you will be able to heal the smallest unit in the body.

With various formulas and codes, the cells of the cotyledons can be restored to their original state so that the organs can generate healthy cells again. You can also use the organ colors' frequencies to promote the organs' healing.

The Fibonacci spiral and the golden section are anchored in all techniques. They are the foundation for optimal development and healthy function of the organs.

The entire body can be experienced in a totally new way, and it will be liberated from pain, shocks, trauma, and much more.

It is such a blessing that through the trainer teaching by Yamsaro, all the Fibonacci formulas can now be activated. This can be done in healing sessions, coaching consultations, and seminars.

Further details:

Length of the training: about 12 days

Initiations: you will receive 3-5 formulas per day

You will receive a script with all the information and a certificate!
